

Cica Soothing Mist

Providing a moist and nourishing sensation.

Moisture

Soothing

Nutrition

A close-up, profile shot of a woman's face, looking upwards and to the left. Her eyes are closed, and her skin appears slightly dry. A fine mist of moisture particles is being sprayed onto her face from the left, creating a soft, ethereal effect. The background is a dark, textured green. The woman has long, light brown hair and is wearing a white tank top and a thin gold chain necklace.

A mist that
evenly permeates
the dry skin with fine
moisture particles

FEATURES

01 Sprays evenly over the entire face, allowing for lump-free usage.

02 Provides abundant hydration without feeling stuffy, maintaining smooth and moisturized skin.

03 Spritz regularly on dry and rough skin to replenish moisture.

04 With a mist spray, it lightly hydrates, providing thin and long-lasting moisture.

05 The effective ingredients are absorbed by the skin, leaving a subtle moisture glow.

MAIN INGREDIENTS

SH-EG

Enhances skin texture, filling and strengthening it, and fostering elasticity

D-Panthenol

As a penetrative moisturizer, it has excellent moisturizing and soothing effects, pulling and maintaining moisture to nurture the skin to be vibrant and healthy.

8 types of hyaluronic acid

Eight multi-complex hyaluronic acids fill, hold, and protect moisture in the skin.

Centella Asiatica Extract

A representative soothing ingredient used by tigers on wounded areas. Helps in skin soothing with cicada components.

Hydrolyzed Collagen

Provides vitality and conditioning to the skin, wrapping it softly.

HOW TO USE

Before use, shake well enough, then spray evenly over the entire face from a *distance of 10 to 20cm*, allowing it to be absorbed.

* Suitable for use immediately after cleansing, before or after makeup, and whenever skin feels dry.
